## BOOK 1 NOT GODS BUT MONSTERS

### Rare

*Rhepelles*

"In one corner were three colored stones that served as paper-weights; one milky white that shone with adulescence..."

*Veiith*

"Resting on a satin cloth pad, a polished obsidian stone about the size of a man's palm glistened under the lamplight."

*Tierrosien*

"...colored with mottled splatches of orange, red, and brown hues..."

*Unnamed*<sup>1</sup>

"...and the third a coarse dark gray that had brown flecks along the center."

*K'ssiefert*

"...pulled out an aquamarine stone as big as his palm, smoothed into an oval shape. Along the top of the stone was a thin curved ridge."

*Unnamed*

"...the second varying shades of blue..."

*Unnamed*<sup>2</sup>

"...almost 150 cm in length, black as onyx, but covered with burning cracks that crisscrossed the exterior in a spider web pattern..."

*Spociser*

"...visible between fissures... radiated a golden orange glow."

### Common

*Aeustes*

*Apech*

*Iolide*
